1. Exhibitors hire space at the Haddington Show at their own risk.
2. Exhibitors will be issued with 2 admission passes and one windscreen label for their personnel and essential vehicles as follows:

Additional windscreen passes are not available due to space restrictions. The Society advises that extra admission passes for the above mentioned must be purchased. Admission to the Showground will not be permitted unless an Admission Ticket is presented.

Additional Admission tickets can be purchased at a cost £7.00 per ticket.

3. All Exhibitors have the responsibility to ensure that nobody is injured on their stand. Therefore, all Exhibitors must complete a risk assessment for their stand to identify any potential risks and if applicable, take steps to reduce the likelihood of injury occurring. Use the UELAS Risk Assessment Form attached if you do not have your own risk assessment form.

All stands at the Haddington Show must be covered by Public Liability Insurance, a copy of which must be attached to this application.

7. **Exhibitors will be responsible for the removal of all refuse from their site. Skips and waste bins will be positioned around the Show Ground for use by exhibitors and the public. There will be a fine of up to £100 for any exhibitor who leaves refuse on their stand. Catering Vendors are required to pay a refundable deposit of £50.00 which will be refunded on the basis that all refuse has been properly disposed of.**
8. The Society will not be responsible for any accident involving implements, machines or other articles belonging to any Exhibitor and it is a condition of entry that each Exhibitor shall hold the Society blameless for, and indemnify it against, any legal

proceedings arising from any accident caused by Exhibitors or their employees or exhibits.

9. All Exhibitors display equipment, stock, goods etc entirely at their own risk and the Society will under no circumstances be liable for any loss or damage occurring thereto.

All Exhibitors vehicles must be parked in the Trade Exhibitors Car Park or within the boundaries of their site. Windscreen labels do not entitle vehicles to unrestricted movement within or beyond the Showground while the Show is open to the public.

Stewards within the Showground are empowered to authorise the removal of indiscriminately parked vehicles where their presence is likely to hinder the free movement of Priority and Emergency Services or otherwise cause public nuisance.

Generators can be supplied at a cost. Please enquire about this when you submit your application form. There is **NO** public water supply at the field.
16. Trade Stands that provide foodstuffs and drinks for hospitality purposes must ensure their suppliers have all the relevant food safety certifications. Any trader handling food or drink for public consumption even if it is given away must ensure that they have hand washing facilities, and comply with all relevant Trading Standards and Environmental Health Legislation, in respect of their stands, exhibits and merchandise. Trading Standards Officers may visit Trade Stands during the Show and this is something which the Society has no control over.
